**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and my wife operates a small business. We have been very pleased with alternative providers of both internet services and virtual mobile operators. They provide excellent service, customer care and reliable communication at a much fairer price than the majors.

We have fiber today but were previously connected with competitive DSL. We don't want price hikes which the majors always do. I have both my broadband and VOIP bundle from Sonic which is great.

So we want you to support this competition and decline the USTelecom initiative that kills competition.
